clerk for them.

many thanks to Major C. B. Fisher, Star reporter some very important since the war?" for his handsome sonvenier. He will wear it as a token of his esteem and appreciation.

The man, no matter what his color is, who changes his polities to suit the party that happens to be in power, is unworthy the confidence of any party.-Graphic.

Fortune is that man. He had better give up the fight for the Haytian mission.

Cast distinction and race discrimination, entered largely in to the deliberations of the Grand Army Encampment, On general priciples we are not surprised but how this matter strike our real friends who know something of the sacrifices our people, especially in the south, have made for some of these very same white men, who now denounce us illiterate, vicious, uncivilized and unfit for recognition as men and brethern in the Grand Army. Thank God justice right and truth prevailed. The Grand Army refused toturn its back up on our faithful allies. The words of Lincoln hold good to day-"In some trying hour he will prove to be the jewel of liberty in the family of freedom."

STAND FIRM.

The position assumed by Dr. F. J. Shadd, at a meeting of the Board of the Commissioners means any thing, it means that Normal school graduates shall be appointed to positions in the public schools.

GOOD GOVERNMENT.

things, that those who have con- and sugar of that section. ment meets the approbation of the business men of this country, but, the politicians of this country need the politicians out.

THE BIG FOUR.

This is the way the representatives of the race are dubbed by a angry because he failed to get an ers engaged in elevating their of this administration. Messrs. Bruce, Lynch and others have nevvourself a rest.

BRUTAL FORCE

The members of the Metropoli tan Police force, that is the "Negro haters," have been using their club very freely lately on the colored citizens of the Eastern sec tiou of the city. Lawyer E. M. sion to defend a colored man in court who had been most shamefully used up by one of these Irish policeman, His honor, Judge Harper, who was presiding at that time, did not see enough in the industrial growth of the race?" case to give the officer a just asked the Star reporter. rebuke.
